

**Food Policy Council of San Antonio
Agenda—General Meeting
February 20, 2019**

Vision: Healthy, fresh, affordable food accessible to all, in a vibrant local food economy.

Mission: The Food Policy Council of San Antonio serves as a stakeholder forum to support a healthy, sustainable, and just local food system for people, the environment, the economy and community; gathers and disseminates information for all who work toward that goal in the San Antonio area; and advocates for policy improvements relating to food.
